WITNESSETH:

WHEREAS, pursuant to the Section 51.1-126.6 of the Code of Virginia (1950), as amended, this Optional Retirement Plan of the Commonwealth of Virginia for Public School Superintendents is implemented by the Commonwealth of Virginia (the “Plan”).

The Board intends to maintain the Plan as a qualified defined contribution plan within the meaning of Internal Revenue Code Section 401(a) as applicable to governmental plans as defined in Section 414(d) of the Code. The purpose of the Plan is to provide retirement benefits for eligible employees pursuant to the terms of the Plan in consideration of their services.

The Plan is available in lieu of the benefits established pursuant to the Virginia Retirement Act, Section 51.1-100 et seq. of the Code of Virginia (1950) as amended or any benefit that is contingent on membership in the Virginia Retirement System, but is available in addition to the deferred compensation established pursuant to the Government Employees Deferred Compensation Plan Act, Section 51.1-600 et seq. of the Code of Virginia (1950) as amended or any tax sheltered annuity plan available through the school board employing the Plan Participant and any cash match plan established pursuant to Section 607 through 613 of the Code of Virginia (1950) as amended.

This restatement is intended as good faith compliance with the requirements of the Economic Growth and Tax Relief Reconciliation Act of 2001 (“EGTRRA”) and is to be construed in accordance with EGTRRA and guidance issued thereunder. Except as otherwise provided, this restatement shall be effective as of the first day of the first Plan Year beginning after December 31, 2001.

To comply with the requirements of Internal Revenue Code Section 401(a) and in accordance with Section 11 of Article X of the Constitution of Virginia (1971) as amended, the Board has established a related fund (“Fund”) pursuant to a trust agreement (“Trust Agreement”) in which all contributions to the Plan and the income thereon shall be held for the exclusive benefit of Participants and their Beneficiaries.

NOW, THEREFORE, in consideration of the premises herein, the Board agrees as follows:

ARTICLE I
Definition of Terms

The following words and terms as used in this Plan shall have the meaning set forth below, unless a different meaning is clearly required by the context.

1.10 **“Compensation Limit”**:

1.10(a) \$200,000 for Plan Years beginning on or after January 1, 2002 (as adjusted in \$5,000 increments by the applicable Adjustment Factor on the basis of a base period of the calendar quarter beginning July 1, 2001); \$150,000 for Plan Years beginning before January 1, 2002 (as adjusted in \$10,000 increments by the applicable Adjustment Factor determined on the basis of a base period of the calendar quarter beginning October 1, 1993).

At all times, the Trustee shall be a directed trustee and (except as provided below) shall be completely subject to the direction of the Plan Administrator, or the Participant or Beneficiary or Alternate Payee. 2.3 **Plan Mergers.** If an Employer that adopts the Plan maintained a plan under the Enabling Statute prior to its becoming a participating Employer, the Plan Administrator will accept and credit to a Participant's account amounts transferred from such prior plan. Any such transfer shall be treated as a plan merger and shall be subject to the terms of a plan merger agreement entered into between the Plan Sponsor and the Employer.

ARTICLE III **Eligibility and Participation**

3.1 **Eligibility.**

3.1(a) Each Employee who becomes an Eligible Employee after the Effective Date of the Plan, may, upon his acceptance of the Eligible Position elect to become a Participant in the Plan. Such election shall be effective upon his becoming an Eligible Employee.

3.1(b) The election to participate in the Plan shall be made in accordance with the procedures adopted by the Plan Administrator for this purpose.

3.2 **Length of Participation.** An Employee who becomes a Participant shall be or remain a Participant for so long as he is an Eligible Employee or he is entitled to future benefits under the terms of the Plan.

ARTICLE IV **Contributions**

4.1 **Amount and Timing of Employer Contributions.** With respect to each payroll period ending on or after the date the Eligible Employee becomes a Participant, the Employer shall contribute to the Plan ten and four one hundredths percent (10.4%) of each Participant's Compensation for such period. Such contributions shall be made as soon as reasonable practical following the payday for such payroll period.

4.2 **Participant Rollover Contributions.**

4.2(a) *[Effective July 1, 2005]* A Participant (including an Eligible Employee and a former Eligible Employee) may make a "Rollover Contribution" which is a qualifying rollover contribution under Section 402(a) of the Code of cash or other property acceptable to the Trustee, or cash attributable to the sale of property distributed from an eligible retirement plan. Before accepting such contribution, the Trustee may require the Participant and/or the trustee, custodian or other funding agent of any such plan, trust bond, annuity or account from which the cash or property is to be deposited, to make such certification as the Trustee deems necessary respecting the distributing plan, trust, bond, annuity or account, the amount and nature of the distribution and any other information the Trustee may reasonably require.

4.2(b) In the event that it is discovered that any Rollover Contribution by a Participant is not a qualifying rollover amount which is excluded from the Participant's gross income under Section 402(a)(5) of the Code, or otherwise is a contribution which is not permitted to be received as a Rollover Contribution under the Plan, the Accrued Benefit of the Participant attributable to such non-qualifying Rollover Contribution shall be returned to the Participant (or if deceased to his Beneficiary).

4.2(c) The Plan will accept as a Rollover Contribution by Participant contribution, or by direct rollover, an eligible rollover distribution made after December 31, 2001 or as otherwise stated below from the following types of plans:

- (i) A qualified plan described in Section 401(a) or 403(a) of the Code, including after-tax employee contributions in a direct rollover;
- (ii) An annuity contract described in Section 403(b) of the Code, excluding after-tax employee contributions;
- (iii) An eligible plan under Section 457(b) of the Code which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state, and
- (iv) An individual retirement account or annuity described in section 408(a) or 408(b) of the Code, but only the portion of the distribution that is eligible to be rolled over and would otherwise be includible in gross income.

4.3 **No Duty to Enforce Contribution.** The Trustee shall not be required to determine the amount of any contribution for any Plan Year or to enforce the duty of the Employer to make or pay over such contributions.

ARTICLE V

Participant Accounts and Adjustments

5.1 **Accounts and Vesting.** The Administrator shall establish and maintain on the books of the Fund for all Participants and all other persons having an interest therein separate accounts reflecting the Accrued Benefit of each Participant. Each Participant shall at all times have a non-forfeitable right to one hundred percent (100%) of his Accrued Benefit.

5.2 **Allocation of Contributions.** Subject to the applicable limitations contained herein:

5.2(a) The Employer's Contribution to the Fund for a Plan Year shall be allocated as of the date such contribution is made among the Employer Accounts of the Participants in proportion to Compensation for the period.

5.2(b) Rollover Contributions by a Participant shall be allocated when made as follows:

(i) Rollover Contributions of after-tax employee contributions shall be allocated to his After-tax Rollover Account.

(ii) All other Rollover Contributions shall be allocated to his Regular Rollover Account.

5.3 **415 Limitations on Annual Additions.**

5.3(a) For Limitation Years beginning before January 1, 2002, notwithstanding any other provision of the Plan, the sum of all Annual Additions (as defined in subparagraph 5.3(d)) allocated to the accounts of any Participant for any Limitation Year may not exceed the lesser of:

(i) \$30,000 (referred to herein as the "Dollar Limitation"), or

(ii) Twenty-five percent (25%) of such Participant's Total Compensation not in excess of the Compensation Limit for such Limitation Year,

which limitations are jointly referred to herein as the "415 Limitations". The compensation limit referred to in clause (ii) of this subparagraph shall not apply to any contribution for medical benefits after separation from service (within the meaning of section 401(h) or Section 419A(f)(2) of the Code) which is otherwise treated as an annual addition.

5.3(b) For Limitation Years beginning on or after January 1, 2002, notwithstanding any other provision of the Plan, the sum of all Annual Additions (as defined in subparagraph 5.3(d)) allocated to the accounts of any Participant for any Limitation Year may not exceed the lesser of:

- (i) \$40,000 (referred to herein as the “Dollar Limitation”), or
- (ii) One hundred percent (100%) of such Participant’s Total Compensation not in excess of the Compensation Limit for such Limitation Year,

which limitations are jointly referred to herein as the “415 Limitations”. The compensation limit referred to in clause (ii) of this subparagraph shall not apply to any contribution for medical benefits after separation from service (within the meaning of section 401(h) or Section 419A(f)(2) of the Code) which is otherwise treated as an annual addition.

5.3(c) In determining the Dollar Limitation:

(i) The Dollar Limitation shall be automatically adjusted by the Adjustment Factor, from time to time, to reflect any annual cost of living adjustments and any such adjustment (which with the original Dollar Limitation is sometimes referred to herein as the “adjusted Dollar Limitation”) shall be effective for the Limitation Year which ends with or within the calendar year for which such increase is effective. For purposes hereof, the term “Adjustment Factor” shall mean the cost of living adjustment factor prescribed by the Secretary of the Treasury or his delegate under Section 415(d) of the Code, applied to such items and in such manner as the Secretary of the Treasury or his delegate shall prescribe. For Limitation Years beginning after December 31, 2002, the adjustment shall be in \$1,000 increments on the basis of a base period of the calendar quarter beginning July 1, 2001.

(ii) If any Limitation Year is a period of less than twelve (12) months, then the Dollar Limitation for such Limitation Year shall be prorated by multiplying then the Dollar Limitation for such Limitation Year by a fraction, the numerator of which is the number of months in such Limitation Year and the denominator of which is twelve (12).

5.3(d) The term “Annual Additions” shall mean the sum of the following amounts allocated to a Participant’s account under the Plan for a Limitation Year:

(i) All contributions by the Employer to this or any other defined contribution plan maintained by the Employer including any other plan qualified under Section 401(a) of the Code or meeting the requirements of Section 403(b) of the Code; and

(ii) Any other amounts defined as “annual additions” under Section 415 of the Code.

Notwithstanding anything to the contrary herein, catch-up contributions under Section 414(v) of the Code, contributions to a plan maintained pursuant to Section 457 of the Code and amounts which are excluded from being “annual additions” under Section 415 of the Code shall not be considered Annual Additions for purposes hereof.

5.3(e) For purposes hereof, the term “Limitation Year” means the Plan Year.

5.3(f) For purposes hereof, the term “Total Compensation” means the total compensation from the Employer received by or made available to an Employee during any Plan Year or, for purposes of the limitations imposed by Section 415 of the Code, any Limitation Year:

(i) Including, but not limited to, wages, salary, earned income (in the case of self-employed individuals), vacation pay, sick pay, overtime pay, bonuses and commissions, and as reportable to the Internal Revenue Service on Form W-2 (or its successor), where applicable, for federal income tax purposes, but

(ii) Including employee elective salary reduction or similar deferral contributions excluded from W-2 compensation by reason of Section 125, 132(f)(4) (for Plan Year s beginning on or after January 1, 2001), 402(g)(3) or 457(b) of the Code (and elective deferrals or contributions under any other sections of the Code covered by Section 415(c)(3)(D) of the Code), and

(iii) Excluding, except as otherwise expressly included by clause (ii) above, paid or reimbursed expenses, contributions or benefits under a simplified employee pension plan, contributions (to the extent not includible in the Employee’s gross income when contributed) or benefits under this or any other plan of deferred compensation (other than an unfunded, non-qualified plan), contributions or benefits under any other employee benefit plan or arrangement (to the extent excludable from or not includible in gross income), now, heretofore or hereafter adopted, amounts paid or received or deemed received in connection with stock options or rights, other amounts which receive special tax benefits, or any amount otherwise paid as compensation but finally determined not to be deductible as compensation in determining the Employer’s federal taxable income.

5.3(g) For purposes hereof, the rules of Section 415 of the Code are incorporated by reference for purposes of determining “Annual Additions” and applying the “415 Limitations”.

5.4 Additional Limitations on Annual Additions Where Employer Maintains More Than One Plan.

5.4(a) If any Participant is or has been a participant in another Qualified Defined Contribution Plan, the limitations contained in paragraph 5.3 shall be appropriately adjusted when and as required by Section 415 of the Code which provisions are incorporated by reference and shall control over any contrary or omitted or inconsistent provisions in the Plan.

5.4(b) If any Participant is or has been a participant in more than one Qualified Defined Contribution Plan (whether or not terminated), the limitations under Section 415 of the Code apply as if all such Qualified Defined Contribution Plans were one plan. The following rules shall also apply:

(i) In the event that the 415 Limitations would otherwise be exceeded for a Limitation Year, the applicable limitation shall be applied for such Participant by limiting the allocation of Annual Additions to the accounts of such Participant in the following order: first, allocations under all plans not hereinafter described, then profit sharing plan allocations then money purchase pension plan allocations, then target benefit plan allocations, and lastly welfare benefit fund and individual medical benefit account allocations.

(ii) If such Participant is a participant in two or more plans of the same type, the applicable limitation shall be applied to contributory plans or aspects thereof first and thereafter to non-contributory plans or aspects thereof and shall be applied pro rata among such plans or aspects thereof in the same limitation category on the basis of allocations thereunder before operation of the applicable limitation.

5.4(c) Solely for purposes of paragraphs 5.3, 5.4 and 5.5, the following words and terms shall have the meaning set forth below in this subparagraph:

(i) The term “Qualified Defined Contribution Plan” means any plan maintained by the Employer or portion thereof described or treated as a defined contribution plan within the meaning of Sections 414(i) and 415(k) of the Code, including, but not limited to, defined contribution plans qualified under Section 401(a) of the Code, tax sheltered annuity contracts described in Section 403(b) of the Code, simplified employee pension plans described in Section 408(k) of the Code, any employee contribution portion of and any cost-of-living protection arrangement under a defined benefit plan qualified under Section 401(a) of the Code, any individual medical account under a pension or annuity plan within the meaning of Section 415(l) of the Code, and any welfare benefit fund within the meaning of Section 419(e) of the Code.

5.4(d) In complying with the limitations of Section 415 of the Code, all other transitional rules under any law enacting or amending Section 415 of the Code shall be applicable as determined by the Plan Sponsor.

5.5 **Special Account for Unallocated Annual Additions.**

5.5(a) In the event a Participant's Annual Additions for a Plan Year exceed his 415 Limitations of paragraph 5.3, the excess Annual Additions of such Participant shall be reallocated, to the extent necessary to achieve compliance with the 415 Limitations of paragraph 5.3.

5.5(b) All contributions by the Employer for such Plan Year which are excess Annual Additions shall be retained as an undesignated account on the books of the Fund for allocation among the accounts of the Participants as a part of the Employer's contribution next due for the next following Plan Year. Any such amounts so used shall be treated for allocation purposes of the Plan as a part of the contribution by the Employer.

5.5(c) The undesignated special account maintained pursuant to this paragraph shall be adjusted at each Valuation Date for its share of net increase or decrease in value of the Fund, and such account shall be held in such investment vehicles as the Administrator shall direct.

5.5(d) Notwithstanding any other provisions of the Plan, no contributions by the Employer which would constitute amounts subject to the 415 Limitations of paragraph 5.3 for a Plan Year may be made to the Plan until any balance at the beginning of such Plan Year in the undesignated account maintained pursuant to this paragraph 5.5 has been allocated among the accounts of Participants.

5.6 ***[Effective January 19, 2006]* Special Rules for Reemployed Veterans.**

5.6(a) Notwithstanding any other provision of the Plan, the following special rules shall apply in order to provide Make-up Contributions to the Plan on behalf of Reemployed Veterans:

(i) Make-up Contributions shall be made to the Plan by the Employer on behalf of a Reemployed Veteran, and allocated to the appropriate account of the affected Participant's Accrued Benefit, in such amount and such manner and at such time or times as is required by USERRA. In accordance with the requirements of USERRA, the Plan Administrator may establish procedures for determining the proper timing and ordering of Make-up Contributions and other contributions made under the Plan and for determining the time periods during which Make-up Contributions may be made when a Reemployed Veteran has multiple periods of Qualified Military Service.

(ii) Make-up Contributions with respect to a Reemployed Veteran shall not be subject to any otherwise applicable contribution limits under Sections 402(g), 402(h), 403(b), 408, 415, or 457 of the Code as applied with respect to the Plan Year or taxable year, as applicable to the relevant section of the Code, in which the contribution is made. A Make-up Contribution shall not be taken into

account in applying the contribution limits to any other contribution made during the Plan Year or taxable year, as applicable to the relevant section of the Code. Make-up Contributions shall not exceed the aggregate amount of contributions that would have been permitted under the Plan contribution limits for the Plan Year or taxable year, as applicable to the relevant section of the Code, to which the contribution relates had the Reemployed Veteran continued to be employed by the Employer during the period of his Qualified Military Service.

(iii) Compensation to be used for purposes of determining Make-up Contributions with respect to a period of Qualified Military Service shall mean the Compensation (but based on rate of pay) which the Reemployed Veteran would have received but for his Qualified Military Service. If a Reemployed Veteran's pay is not reasonably certain, the Reemployed Veteran's Compensation shall then be his average Compensation for the 12-month period (or actual shorter period of employment) immediately preceding his Qualified Military Service.

(iv) Qualified Military Service of a Reemployed Veteran shall be counted as service for purposes of participation and benefit accrual under the Plan. Additionally, the time period between the end of the Reemployed Veteran's Qualified Military Service and his return to the Employer (including the time period spent recovering from an injury or illness as required under USERRA) shall be counted as Service for purposes of participation and benefit accrual under the Plan.

5.6(b) For purposes of this paragraph, the following terms have the following meanings:

(i) "Make-up Contributions" means the contributions which are required to be made to the Plan for a Reemployed Veteran pursuant to USERRA and Section 414(u) of the Code. These contributions generally are the contributions by the Employer that would have accrued to the Reemployed Veteran under the Plan, but for his absence due to his Qualified Military Service. Neither the Make-up Contribution obligation nor this paragraph requires that any earnings be credited to the account of a Reemployed Veteran with respect to any Make-up Contribution before such contribution is actually made.

(ii) "Qualified Military Service" means any service in the uniformed services (as defined under USERRA) by any individual if such individual is entitled to reemployment rights under USERRA with respect to such service and to the Employer.

Any such election may be revoked or modified at any time.

9.1(e) Notwithstanding the foregoing provisions of this paragraph, payment may be delayed for a reasonable period in the event the recipient cannot be located or is not competent to receive the benefit payment, there is a dispute as to the proper recipient of such benefit payment, additional time is needed to complete the Plan valuation adjustments and allocations, or additional time is necessary to properly explain the recipient's options.

These annuities

are sometimes referred to herein as a “Joint and x% Survivor Annuity”. Notwithstanding the foregoing, such Joint and x% Survivor Annuity paid to a non-spouse survivor must conform to the Minimum Distribution Incidental Benefit Rules (“MDIB Rules”) described in Prop. Treas. Reg. Section 1.401(a)(9)-2.

(ii) In a Lump Sum Payment (as defined in paragraph 9.4).

9.3(a) In the event of a Participant’s death before his Accrued Benefit commences to be paid to him, the Participant’s Accrued Benefit payable pursuant to paragraph 8.1 shall be paid to his Beneficiary in the applicable manner described in this paragraph. (iii) In Periodic Installments (as defined in paragraph 9.5) of a fixed amount per payment or over a term certain, but in either case, not extending beyond the end of the fifth (5th) calendar year following the calendar year in which the Participant’s death occurs unless:

(A) Such term certain does not extend beyond the life expectancy of the Beneficiary and the Beneficiary is an individual, and

(B) Such installments commence not later than (I) the end of the first (1st) calendar year following the calendar year in which the Participant's death occurs in the case such individual Beneficiary is not the Participant's spouse or (II) the later of the end of the calendar year in which the Participant would have attained the age of seventy and one-half (70-1/2) or the end of the first (1st) calendar year following the calendar year in which the Participant's death occurs in the case such individual Beneficiary is the Participant's spouse.

9.5(a) The term "Periodic Installments" means in the case of payments over a term certain, periodic payments in amounts determined by the Administrator and paid at least annually. Each installment paid to a Participant or to a Beneficiary shall be determined pursuant to a fractional method under which the amount of each installment is equal to the quotient obtained by dividing the amount of such Participant's Accrued Benefit determined as though a Lump Sum Payment were being made as of the last Valuation Date (or other time of valuation hereunder) immediately preceding the date of payment of such installment by the number of installment payments then remaining to be made. 9.6(a) If distribution of a Participant's Accrued Benefit has been deferred or is being made from the Fund in the form of Periodic Installments, payment of all or part of any such remaining Accrued Benefit may be made to the Participant or to the Beneficiary entitled to benefits prior to the scheduled time for payment upon written application delivered to the Administrator. If distribution of a Participant's Accrued Benefit is being made from the Fund in the form of Periodic Installments, payment of all or part of any such remaining Accrued Benefit may be delayed or decreased upon written application delivered to the Administrator, provided the requirements of paragraph 9.2(c) or 9.3(b) continue to be met following the change in payment. A Participant or Beneficiary may make up to two (2) changes or withdrawals in any calendar year without incurring a charge. An administrative fee may be applied to changes or withdrawals in excess of two (2).

(i) Any prospective recipient (whether a Participant, a surviving spouse, a current or former spouse who is an alternate payee under a Plan Approved Domestic Relations Order or any other person eligible to make a rollover) of a distribution from the Plan which constitutes an “eligible rollover distribution” (to the extent otherwise includible in the recipient’s gross income) may direct the Trustee to pay the distribution directly to an “eligible retirement plan”;

(ii) Effective January 1, 2006 (or any later effective date permitted by the Internal Revenue Service and utilized by the Administrator), if (A) the present value of the entire non-forfeitable Accrued Benefit payable to a Participant exceeds \$1,000, (B) the Participant has not attained the later of his Normal Retirement Age or the age of sixty-two (62) and (C) the Participant does not either consent in writing to a distribution to him (as opposed to a rollover to an “eligible retirement plan”) or direct in writing the distribution be made to a specified “eligible retirement plan” or plans, then any “eligible rollover distribution” to him shall be made by the Trustee’s paying the distribution directly to an “eligible retirement plan” which is an individual retirement plan in a direct rollover to the individual retirement plan on behalf of the recipient (an “automatic rollover”). This clause does not apply to payment made to a person who is not a Participant; and

(iii) Effective for distributions made after December 31, 2006, any non-Spouse designated Beneficiary within the meaning of Section 401(a)(9)(E) of the Code who is a prospective recipient of a distribution from the Plan that would be an eligible rollover distribution but for the fact that the recipient is not a Participant or a Participant’s Spouse, may direct the Trustee to pay the distribution directly to an “inherited IRA.”

9.7(b) *[Effective January 1, 2007]* For purposes hereof, the following terms have the meanings assigned to them in Section 401(a)(31) of the Code and, to the extent not inconsistent therewith, shall have the following meanings:

The definition of eligible retirement plan shall also apply in the case of a distribution to a surviving spouse, or to a spouse or former spouse who is the alternate payee under a qualified domestic relation order, as defined in section 414(p) of the Code. *[Effective January 1, 2008]* Effective for distributions made after December 31, 2007, the definition of eligible retirement plan shall also include an individual retirement plan described in Section 408A of the Code provided the Participant does not have modified adjusted gross income in excess of \$100,000 and who is not married filing a separate return both as determined under Section 408A (c)(3)(b) of the Code.

(ii) The term "eligible rollover distribution" means any distribution other than:

(A) A distribution which is one of a series of substantially equal periodic payments (not less frequently than annually) made either for the life (or life expectancy) of the recipient or the joint lives (or joint life expectancies) of the recipient and his beneficiary who is an individual or for a specified period of ten (10) or more years,

(B) A distribution to the extent it is required under the minimum distribution requirement of Section 401(a)(9) of the Code,

Effective for distributions made after December 31, 2001, a portion of a distribution shall not fail to be an "eligible rollover distribution" merely because the portion consists of after-tax employee contributions which are not includible in gross income. However, such portion may be transferred only to an individual retirement account or annuity described in section 408(a) or (b) of the Code, or to a qualified defined contribution plan described in section 401(a) or 403(a) of the Code that agrees to separately account for amounts so transferred, including separately accounting for the portion of such distribution which is includible in gross income and the portion of such distribution which is not so includible. For distributions made after December 31, 2006, such portion may also be paid to an annuity contract described in Section 403(b) of the Code that agrees to separately account for amounts so transferred, including separately accounting for the portion

of such distribution which is includible in gross income and the portion of such distribution which is not so includible.

(iii) The term “inherited IRA” means an individual retirement account described in Section 408(a) of the Code or an individual retirement annuity described in Section 408(b) of the Code (other than an endowment contract) established for the purpose of receiving the distribution where the individual retirement account or annuity is treated as an inherited individual retirement account or annuity within the meaning of Section 408(d)(3)(C) of the Code.

9.7(c) Any such direction shall be filed with the Administrator in such form and at such time as the Administrator may require and shall adequately specify the eligible retirement plan to which the payment shall be made.

9.7(d) The Trustee shall make payment as directed only if the proposed transferee plan will accept the payment.

9.7(e) Any such plan to plan transfer shall be considered a distribution option under this Plan and shall be subject to all the usual distribution rules of this Plan (including but not limited to the requirement an advance explanation of the option).

9.7(f) The Administrator is authorized in its discretion, applied on a uniform and non-discriminatory basis, to apply any discretionary de minimis or other discretionary exceptions or limitations provided for under Section 401(a)(31) of the Code in effecting or declining to effect plan to plan transfers hereunder.

9.7(g) *[Effective January 1, 2006]* Within a reasonable time (generally not more than ninety (90) nor less than thirty (30) days) before the benefit payment date of a prospective recipient of an eligible rollover distribution from the Plan, the Administrator shall provide the prospective recipient with a written explanation of the rollover and tax rules required by Section 402(f) of the Code. In addition, where the prospective distribution is described in clause (ii) of subparagraph 9.7(a), the Administrator shall provide the written notice to the prospective recipient required by Sections 401(a)(31)(B)(i) of the Code (either separately or at the time the notice under Section 402(f) of the Code is provided) that the automatic rollover to an individual retirement plan pursuant to clause (ii) of subparagraph 9.7(a) may be transferred to another individual retirement plan.

9.7(h) *[Effective January 1, 2006]* In the case of an automatic rollover described in clause (ii) of subparagraph 9.7(a):

(i) Unless otherwise determined by the Plan Sponsor by written agreement with another Plan fiduciary, the Administrator shall determine the individual retirement plan to receive the automatic rollover and the initial investment under the individual retirement plan in which the automatic rollover is invested;

(ii) The automatic rollover shall be made to an individual retirement plan within the meaning of Section 7701(a)(37) of the Code;

(iii) In connection with the automatic rollover, the Administrator shall enter into a written agreement with the individual retirement plan provider that provides:

(A) The rolled-over funds shall be invested in an investment product designed to preserve principal and provide a reasonable rate of return, whether or not such return is guaranteed, consistent with liquidity;

(B) For purposes of clause (iii)(A) of this subparagraph, the investment product selected for the rolled-over funds shall seek to maintain, over the term of the investment, the dollar value that is equal to the amount invested in the product by the individual retirement plan;

(C) The investment product selected for the rolled-over funds shall be offered by a state or federally regulated financial institution, which shall be either (I) a bank or savings association, the deposits of which are insured by the Federal Deposit Insurance Corporation, (II) a credit union, the member accounts of which are insured within the meaning of Section 101(7) of the Federal Credit Union Act, (III) an insurance company, the products of which are protected by State guaranty associations, or (IV) an investment company registered under the Investment Company Act of 1940;

(D) All fees and expenses attendant to an individual retirement plan, including investments of the individual retirement plan (e.g., establishment charges, maintenance fees, investment expenses, termination costs and surrender charges) shall not exceed the fees and expenses charged by the individual retirement plan provider for comparable individual retirement plans established for reasons other than the receipt of a rollover distribution subject to the provisions of Section 401(a)(31)(B) of the Code; and

(E) The recipient on whose behalf the Plan makes an automatic rollover shall have the right to enforce the terms of the contractual agreement establishing the individual retirement plan, with regard to his rolled-over funds, against the individual retirement plan provider, and.

(iv) Participants shall be furnished a description of the Plan's automatic rollover provisions effectuating the requirements of Section 401(a)(31)(B) of the Code, including an explanation that the mandatory distribution in the form of an automatic rollover will be invested in an investment product designed to preserve principal and provide a reasonable rate of return and

liquidity, a statement indicating how fees and expenses attendant to the individual retirement plan will be allocated (i.e., the extent to which expenses will be borne by the account holder alone or shared with the distributing Plan or Plan Sponsor), and the name, address and phone number of a plan contact (to the extent not otherwise provided in the description) for further information concerning the Plan's automatic rollover provisions, the individual retirement plan provider and the fees and expenses attendant to the individual retirement plan.

It is intended that the automatic rollover provisions of the Plan satisfy the safe harbor therefore Section 51.1-124.30.F of the Code of Virginia, and such provisions shall be interpreted and administered in accordance therewith. There are no mandatory cash-out amounts described in the Plan which would require automatic rollovers as described in this paragraph.

9.8 **Notice and Election Procedures Regarding Payment.**

9.8(a) Any election authorized by subparagraph 9.2(c) and 9.3(b) and any designation of a date of payment by a Participant or Beneficiary shall be in writing, shall clearly indicate the election or designation being made, and shall be filed with the Administrator and in accordance with the procedures provided in the following subparagraphs to this paragraph.

9.8(b) Within a reasonable time before a Participant's Accrued Benefit is to be paid to him, the Administrator shall by mail or personal delivery provide the Participant with a written explanation of:

- (i) The terms and conditions of the applicable forms of payment; including the financial effects of the applicable forms of payment.
- (ii) The Participant's right to delay receipt of his Accrued Benefit until such later date allowed under paragraph 9.1, including the right to modify or revoke any election thereunder; and
- (iii) The Participant's right to obtain an advance on or acceleration of payment of his Accrued Benefit or to change any periodic installment as provided under paragraph 9.6.

9.8(c) Within a reasonable time before the Accrued Benefit of a Participant who died prior to commencement of payment of his Accrued Benefit is to be paid, the Administrator shall by mail or personal delivery provide the Participant's Beneficiary with a written explanation of:

- (i) The terms and conditions of the applicable forms of payment.

(ii) The Beneficiary's right to delay receipt of the Participant's Accrued Benefit until such later date allowed under paragraph 9.1, including the right to modify or revoke any election thereunder.

(iii) The Beneficiary's right to obtain an advance on or acceleration of payment of the Participant's Accrued Benefit or to change any periodic installment under paragraph 9.6.

9.9 **Benefit Determination and Payment Procedure.**

9.9(a) The Administrator shall make all determinations concerning eligibility for benefits under the Plan, the time or terms of payment, and the forms or manner of payment to the Participant or the Participant's Beneficiary, in the event of the death of a Participant. The Administrator shall promptly notify the Trustee of each such determination that benefit payments are due or should cease to be made and provide to the Trustee all other information necessary to allow the Trustees to carry out said determination, whereupon the Trustee shall pay or cease to pay such benefits in accordance with the Administrator's determination.

9.9(b) In making the determinations described in subparagraph 9.9(a), the Administrator shall take into account the terms of any Approved Domestic Relations Order received with respect to the Accrued Benefit of the Participant or any Death Benefit with respect to the Participant. The time and form of payment with respect to the Approved Domestic Relations Order and the time and form of payment chosen by the Participant or his Beneficiary or required by the Plan shall not be altered by the terms of the Approved Domestic Relations Order. The Administrator shall make all determinations regarding benefit payments to be made pursuant to an Approved Domestic Relations Order. Any benefit payments which may be subject to the terms of a domestic relations order received by the Administrator shall be suspended during the period the Administrator is considering whether the order is an Approved Domestic Relations Order. In the event that benefits are in pay status at the time that a domestic relations order is received, the Administrator shall promptly notify the Trustee of the amount, if any, of the benefit payments that must be suspended for the period required by the Administrator to determine the status of the order. Upon the completion of the Administrator's review or other determination of the status of the order, the Administrator shall promptly notify the Trustee of the time benefit payments are to commence and of the identity of, and the amount and form of benefits to be paid to, the person or persons to whom payment is to be made.

9.9(c) To the extent the payment provisions of the Plan are inconsistent with and violative of the requirements of Section 401(a)(9) of the Code, the provisions of Section 401(a)(9) of the Code are hereby incorporated by reference and shall control.

9.10 **Payments to Minors and Incompetents.** If a Participant or Beneficiary entitled to receive any benefits hereunder is a minor or is adjudged to be legally incapable of giving valid receipt and discharge for such benefits, or is deemed so by the Administrator, benefits will be paid to such person as the Administrator may designate for

the benefit of such Participant or Beneficiary. Such payments shall be considered a payment to such Participant or Beneficiary and shall, to the extent made, be deemed a complete discharge of any liability for such payments under the Plan.

9.11 **Distribution of Benefit When Distributee Cannot Be Located.** The Administrator shall make all reasonable attempts to determine the identity and/or whereabouts of a Participant or Participant's spouse or a Participant's Beneficiary entitled to benefits under the Plan, including the mailing by certified mail of a notice to the last known address shown on the Employer's, the Administrator's or the Trustee's records. If the Administrator is unable to locate such a person entitled to benefits hereunder, or if there has been no claim made for such benefits, the Trustee shall continue to hold the benefit due such person, subject to any applicable statute of escheats.

9.12 **Minimum Distributions.**

9.12(a) **Pre 2003 Minimum Distribution Requirements.** With respect to distributions under the Plan made in calendar years beginning on or after January 1, 2001 but before January 1, 2003, the Plan will apply the minimum distribution requirement of Section 401(a)(9) of the Code in accordance with the regulations under Section 401(a)(9) that were proposed in January 2001, notwithstanding any provision of the Plan to the contrary. This provision shall continue in effect until the end of the last calendar year beginning before the effective date of final regulations under Section 401(a)(9) or such other date specified in guidance published by the Internal Revenue Service.

9.12(b) **Post December 31, 2002 Minimum Distribution Requirements.**

(i) General Rules.

(A) Effective Date. The provisions of this paragraph will apply for purposes of determining required minimum distributions for calendar years beginning with the 2003 calendar year.

(B) Precedence. The requirements of this Paragraph will take precedence over any inconsistent provisions of the Plan.

(C) Requirements of Treasury Regulations Incorporated. All distributions required under this paragraph will be determined and made in accordance with the Treasury Regulations under Section 401(a)(9) of the Code.

(ii) Time and Manner of Distribution.

(A) Required Beginning Date. The Participant's entire interest will be distributed, or begin to be distributed, to the Participant no later than the Participant's Required Beginning Date.

(B) Death of Participant Before Distributions Begin. If the Participant dies before distributions begin, the Participant's entire interest will be distributed, or begin to be distributed, no later than as follows:

(1) If the Participant's surviving spouse is the Participant's sole Beneficiary, then distributions to the surviving spouse will begin by December 31 of the calendar year immediately following the calendar year in which the Participant died, or by December 31 of the calendar year in which the Participant would have attained age 70 1/2, if later.

(2) If the Participant's surviving spouse is not the Participant's sole Beneficiary, then distributions to the Beneficiary will begin by December 31 of the calendar year immediately following the calendar year in which the Participant died.

(3) If there is no Beneficiary as of September 30 of the year following the year of the Participant's death, the Participant's entire interest will be distributed by December 31 of the calendar year containing the fifth anniversary of the Participant's death.

(4) If the Participant's surviving spouse is the Participant's sole Beneficiary and the surviving spouse dies after the Participant but before distributions to the surviving spouse begin, this clause (ii)(B) of subparagraph 9.12(b), other than clause (ii)(B)(1) of subparagraph 9.12(b), will apply as if the surviving spouse were the Participant.

For purposes of this clause (ii)(B) and clause (iv) of subparagraph 9.12(b), unless clause (ii)(B)(4) of subparagraph 9.12(b) applies, distributions are considered to begin on the Participant's Required Beginning Date. If clause (ii)(B)(4) of subparagraph 9.12(b) applies, distributions are considered to begin on the date distributions are required to begin to the surviving spouse under clause (ii)(B)(1) of subparagraph 9.12(b). If distributions under an annuity purchased from an insurance company irrevocably commence to the Participant before the Participant's Required Beginning Date (or to the Participant's surviving spouse before the date distributions are required to begin to the surviving spouse under clause (ii)(B)(1) of subparagraph 9.12(b)), the date distributions are considered to begin is the date distributions actually commence.

(C) Forms of Distribution. Unless the Participant's interest is distributed in the form of an annuity purchased from an insurance company or in a single sum on or before the Required Beginning Date, as of the first Distribution Calendar Year distributions will be made in

accordance with clauses (iii) and (iv) of this subparagraph. If the Participant's interest is distributed in the form of an annuity purchased from an insurance company, distributions thereunder will be made in accordance with the requirements of Section 401(a)(9) of the Code and the Treasury Regulations.

(iii) Required Minimum Distributions During Participant's Lifetime.

(A) Amount of Required Minimum Distribution For Each Distribution Calendar Year. During the Participant's lifetime, the minimum amount that will be distributed for each Distribution Calendar Year is the lesser of:

(1) the quotient obtained by dividing the Participant's Account Balance by the distribution period in the Uniform Lifetime Table set forth in Section 1.401(a)(9)-9 of the Treasury Regulations, using the Participant's age as of the Participant's birthday in the Distribution Calendar Year; or

(2) if the Participant's sole Beneficiary for the Distribution Calendar Year is the Participant's spouse, the quotient obtained by dividing the Participant's Account Balance by the number in the Joint and Last Survivor Table set forth in Section 1.401(a)(9)-9 of the Treasury Regulations, using the Participant's and spouse's attained ages as of the Participant's and spouse's birthdays in the Distribution Calendar Year.

(B) Lifetime Required Minimum Distributions Continue Through Year of Participant's Death. Required minimum distributions will be determined under this clause (iii) of subparagraph 9.12(b) beginning with the first Distribution Calendar Year and up to and including the Distribution Calendar Year that includes the Participant's date of death.

(iv) Required Minimum Distributions After Participant's Death.

(A) Death On or After Date Distributions Begin.

(1) Participant Survived by Beneficiary. If the Participant dies on or after the date distributions begin and there is a Beneficiary, the minimum amount that will be distributed for each Distribution Calendar Year after the year of the Participant's death is the quotient obtained by dividing the Participant's Account Balance by the longer of the remaining Life Expectancy of the Participant or the remaining Life Expectancy of the Participant's Beneficiary, determined as follows:

(I) The Participant's remaining Life Expectancy is calculated using the age of the Participant in the year of death, reduced by one for each subsequent year.

(II) If the Participant's surviving spouse is the Participant's sole Beneficiary, the remaining Life Expectancy of the surviving spouse is calculated for each Distribution Calendar Year after the year of the Participant's death using the surviving spouse's age as of the spouse's birthday in that year. For Distribution Calendar Years after the year of the surviving spouse's death, the remaining Life Expectancy of the surviving spouse is calculated using the age of the surviving spouse as of the spouse's birthday in the calendar year of the spouse's death, reduced by one for each subsequent calendar year.

(III) If the Participant's surviving spouse is not the Participant's sole Beneficiary, the Beneficiary's remaining Life Expectancy is calculated using the age of the Beneficiary in the year following the year of the Participant's death, reduced by one for each subsequent year.

(2) No Beneficiary. If the Participant dies on or after the date distributions begin and there is no Beneficiary as of September 30 of the year after the year of the Participant's death, the minimum amount that will be distributed for each Distribution Calendar Year after the year of the Participant's death is the quotient obtained by dividing the Participant's Account Balance by the Participant's remaining Life Expectancy calculated using the age of the Participant in the year of death, reduced by one for each subsequent year.

(B) Death Before Date Distributions Begin.

(1) Participant Survived by Beneficiary. If the Participant dies before the date distributions begin and there is a Beneficiary, the minimum amount that will be distributed for each Distribution Calendar Year after the year of the Participant's death is the quotient obtained by dividing the Participant's Account Balance by the remaining Life Expectancy of the Participant's Beneficiary, determined as provided in clause (iv)(A) of subparagraph 9.12(b).

(2) No Beneficiary. If the Participant dies before the date distributions begin and there is no Beneficiary as of

September 30 of the year following the year of the Participant's death, distribution of the Participant's entire interest will be completed by December 31 of the calendar year containing the fifth anniversary of the Participant's death.

(3) Death of Surviving Spouse Before Distributions to Surviving Spouse Are Required to Begin. If the Participant dies before the date distributions begin, the Participant's surviving spouse is the Participant's sole Beneficiary, and the surviving spouse dies before distributions are required to begin to the surviving spouse under clause (ii)(B)(1) of subparagraph 9.12(b), this clause (iv)(B) will apply as if the surviving spouse were the Participant.

(v) Definitions. For purposes of this paragraph, the follow terms shall have the meaning set forth below:

(A) "Beneficiary" shall mean the individual who is designated as the Beneficiary under the Plan in accordance with Section 401(a)(9) of the Internal Revenue Code and Section 1.401(a)(9)-1, Q&A-4, of the Treasury Regulations.

For distributions beginning before the Participant's death, the first Distribution Calendar Year is the calendar year immediately preceding the calendar year which contains the Participant's Required Beginning Date. For distributions beginning after the Participant's death, the first Distribution Calendar Year is the calendar year in which distributions are required to begin under clause (ii)(B) of subparagraph 9.12(b). The required minimum distribution for the Participant's first Distribution Calendar Year will be made on or before the Participant's Required Beginning Date. The required minimum distribution for other Distribution Calendar Years, including the required minimum distribution for the Distribution Calendar Year in which the Participant's Required Beginning Date occurs, will be made on or before December 31 of that Distribution Calendar Year.

(C) "Life Expectancy" shall mean the life expectancy as computed by use of the Single Life Table in Section 1.401(a)(9)-9 of the Treasury Regulations.

(D) "Participant's Account Balance" shall mean the account balance as of the last valuation date in the calendar year immediately preceding the Distribution Calendar Year (valuation calendar year) increased by the amount of any contributions made and allocated or forfeitures allocated to the account balance as of dates in the valuation calendar year after the valuation date and decreased by distributions made

in the valuation calendar year after the valuation date. The account balance for the valuation calendar year includes any amounts rolled over or transferred to the Plan either in the valuation calendar year or in the Distribution Calendar Year if distributed or transferred in the valuation calendar year. *[Added Effective January 1, 2004]* For purposes of determining the application of the Required Minimum Distributions after a Participant's death, the Participant's Account Balance shall be divided into separate accounts as defined in Section 1.401(a)(9)-8 of the Treasury Regulations to reflect the separate interest of each beneficiary for which the separate account is maintained.

(E) "Required Beginning Date" shall mean the date specified in subparagraph 9.1(a) of the Plan.

The Director shall inform the Board of any such amendment at its next regularly scheduled meeting.
